

BC Provincial Renal Agency

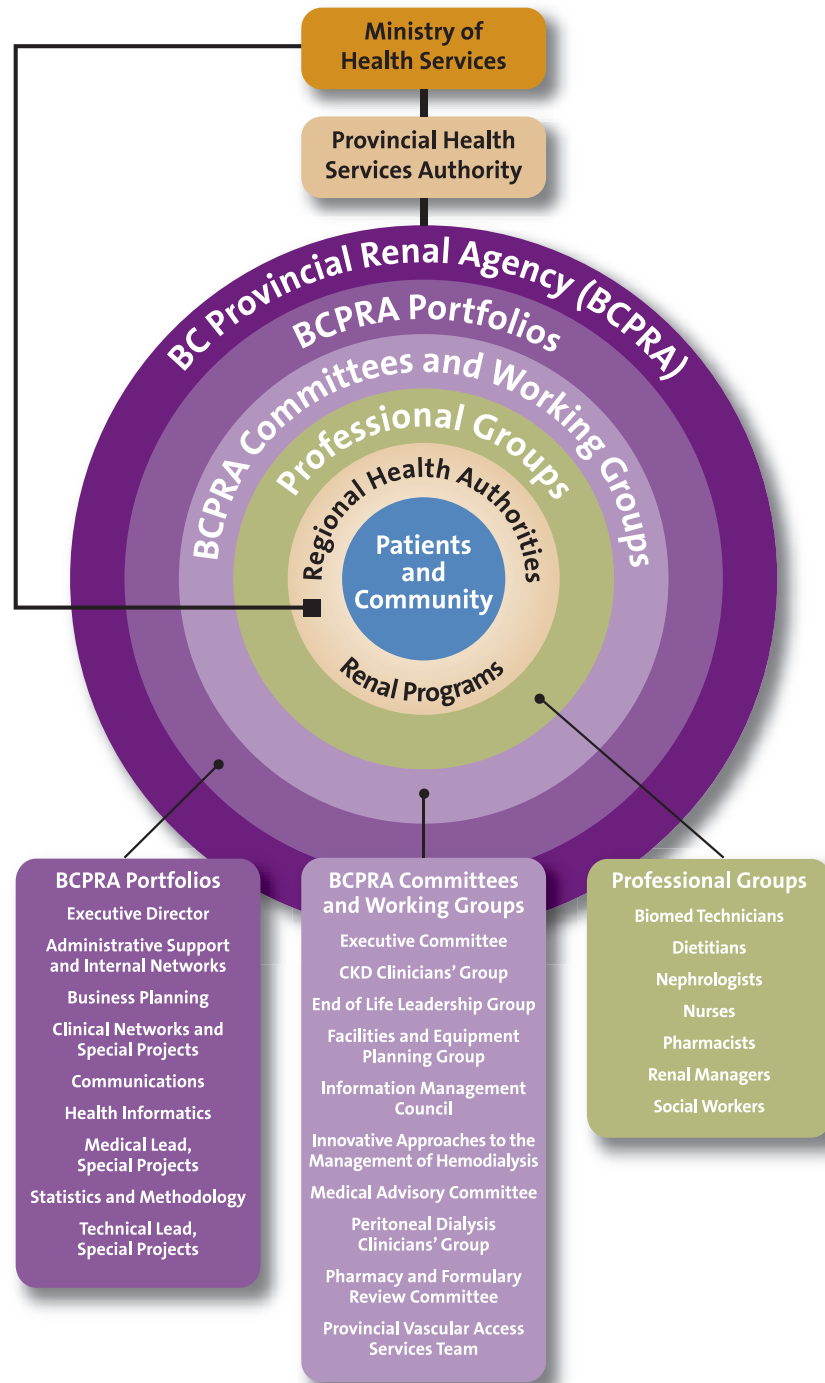

BC Renal Networks

Founded in 1997, the BC Provincial Renal Agency (BCPRA) is a virtual organization consisting of a small group of staff at a central office, complemented by a network of health care professionals in affiliated organizations throughout the province. BCPRA has been part of the Provincial Health Services Authority (PHSA) since 2002.

Key partners include the BC Ministry of Health Services, the five regional health authorities, the University of British Columbia, the Centre for Health Evaluation and Outcome Sciences (CHEOS), The Kidney Foundation of Canada and the entire renal community.
