

Why we do what we do

Why we do what we do

Transplant starts with Donation

Maria's Story

Why we do what we do

We believe every family dealing with tragedy has a right to be given the option to consider organ donation.

Why we do what we do

BCT role is to support and facilitate donation options for families – at hospitals throughout the province.

IHC and Critical Care lead roles

- Regional focus

Why we do what we do

Power of organ donation
