

Category	Description
<p><b>1. Purpose</b></p>	<p><b>The BCPRA GN Committee is an initiative of the BC Provincial Renal Agency whose overall goal is to identify, implement and evaluate health care programs and health policy initiatives that target patients with glomerulonephritis (GN), and to ensure communication of such activities to relevant stakeholders. The BCPRA GN Committee falls within the mandate of the current BCPRA infrastructure because patients with GN have been identified as unique in that they represent a rare and high risk subpopulation of CKD patients who will benefit from provincial infrastructure support.</b></p> <p>A fundamental purpose of the BCPRA GN Committee is to integrate information, research and clinical activities, so that systematic evaluation of GN-related initiatives is possible in real time. Specifically, the BCPRA GN Committee will describe the number of GN cases in BC, clinical outcomes, and health utilization. The BC GN Registry, embedded within existing BCPRA information systems (PROMIS), has been established to facilitate data capture. As of March 1, 2013, prospective data on patients with GN in BC is being captured as of the time of kidney biopsy.</p> <p>In more specific terms, the committee’s purpose is:</p> <ul style="list-style-type: none"> <li>• To facilitate the identification, implementation and evaluation of clinical care programs and health policy initiatives that improve the care of patients with GN in BC in a financially sustainable fashion.</li> <li>• To ensure knowledge translation of such initiatives to key stakeholders, including patients and physicians.</li> <li>• To facilitate prospective capture of important information in the BC GN Registry (e.g. clinical, laboratory, pathology, and outcome data) which is necessary to support the goals of the BCPRA GN Committee, and to promote data capture through a sustainable infrastructure that leverages existing resources.</li> <li>• To ensure awareness and promotion of information generated from the BCPRA GN Committee, and to promote research in the field of GN.</li> <li>• To monitor and provide information to the provincial renal community regarding the incidence, prevalence, outcomes, and health care utilization of patients with GN.</li> </ul>
<p><b>2. Accountabilities</b></p>	<ul style="list-style-type: none"> <li>• Health services specific to patients with GN.</li> <li>• Educational initiatives regarding GN targeting key stakeholders.</li> <li>• Data capture and reporting on patients with GN, using the BC GN Registry.</li> </ul>
<p><b>3. Responsibilities</b></p>	<ul style="list-style-type: none"> <li>• To facilitate evidence-based clinical management and treatment of glomerular diseases for patients throughout the province through development and utilization of standardized tools.</li> </ul>

	<ul style="list-style-type: none"> <li>• To develop and implement a set of knowledge translation activities for physicians, patients and other stakeholders.</li> <li>• To ensure accountability and transparency regarding outcomes of patients with GN.</li> <li>• To promote research in glomerular diseases through access to:             <ul style="list-style-type: none"> <li>○ Clinical trials.</li> <li>○ Investigational medications.</li> <li>○ Observational cohort studies.</li> </ul> </li> <li>• To provide guidance and oversight to provincial GN initiatives that relate to the above-stated goals, and to ensure implementation of such initiatives.</li> <li>• To appoint, as necessary, work groups as the committee deems necessary to address specific initiatives related to the above-stated goals.</li> <li>• To receive, consider and act upon recommendations related to GN that are received from the above-stated sub-committees, other committees within the BCPRA, and other health care providers outside of the BCPRA.</li> <li>• To provide advice regarding the capture and utilization of data for patients with GN in BC.</li> </ul>
<p><b>4. Deliverables</b></p>	<ul style="list-style-type: none"> <li>• To provide regular communication to the provincial nephrology community regarding the activities of the BCPRA GN Committee.</li> <li>• To provide regular updates to the BCPRA Executive regarding the activities of the BCPRA GN Committee.</li> <li>• To develop mechanisms by which regular data presentation and review can be conducted with the provincial nephrology community regarding the incidence, prevalence, health utilization and outcomes of patients with GN in BC.</li> </ul>
<p><b>5. Composition and appointment process</b></p>	<p>The BCPRA GN Committee shall consist of the following, to the extent possible and practical (which do not need to be mutually exclusive):</p> <ul style="list-style-type: none"> <li>• A member from each of the following BCPRA committees: Medical Advisory Committee (MAC), Pharmacy and Formulary Committee, Kidney Care Committee (KCC).</li> <li>• The BCPRA Executive Director.</li> <li>• A member from each BC health authority.</li> <li>• A representative from PROMIS.</li> <li>• A representative from the BCPRA Analytics and Methodology team (statistician).</li> <li>• 1-2 members experienced in GN research and/or other research-related fields.</li> <li>• The BCPRA GN Committee Chair (who is also the GN Committee and GN Registry Medical Lead).</li> <li>• Representatives from Laboratory Medicine and Pathology.</li> </ul>

	<ul style="list-style-type: none"> <li>• Representatives from Rheumatology and Obstetric Medicine (if available).</li> <li>• Other health care providers with an interest in GN, including physicians, pharmacists, IT specialists, statisticians, etc.</li> </ul>
<b>6. Chair and reporting relationships</b>	<p>The Medical Lead of the BCPRA GN Committee and GN Registry will be Chair, reporting to the MAC and the BCPRA Administrative Executive group quarterly.</p> <p>The Chair will be appointed for a term of 5 years, with the right to be reappointed by a simple majority of votes under the conditions of quorum, and without limitation on the number of terms served.</p>
<b>7. Duties of the Chair</b>	<ul style="list-style-type: none"> <li>• Organize and chair BCPRA GN Committee meetings every 6 months, or as required.</li> <li>• Provide leadership for the GN Committee projects and operations.</li> </ul>
<b>8. Duties of the committee members</b>	<ul style="list-style-type: none"> <li>• Act as representatives of their respective health authority, BCPRA committee or other appropriate specialty groups.</li> <li>• Communicate with such groups regarding the activities of the committee.</li> </ul>
<b>9. Meetings</b>	<p>The BCPRA GN Committee shall meet at least every 6 months, or more frequently as needed, either in person or by teleconference.</p> <p>Notice of such meetings shall be initiated by the Chair.</p> <p>Minutes of each meeting will be kept and circulated.</p> <p>Each voting member of the committee shall attend in person or by phone at least 2/3 of all meetings. The BCPRA Executive Director in consultation with the Chair may remove any voting member who does not meet this attendance requirement.</p> <p>Work group meetings may be more frequent.</p>
<b>10. Quorum</b>	<p>A quorum shall be defined as the majority of the voting members present at a meeting within 20 minutes of the scheduled meeting start. Failure to meet quorum shall result in deferral of the meeting.</p>
<b>11. Voting</b>	<p>Each voting member has one vote, and must be present in person or by teleconference to vote. No votes by proxy will be allowed.</p> <p>The Chair is allowed a second vote in the event of a tie.</p> <p>All initiatives must pass by a majority of votes. The BCPRA Executive Director will not be a voting member.</p>
<b>12. Remuneration</b>	<p>There will be no remuneration for membership in the committee.</p>
<b>13. Communications</b>	<p>Members of the committee shall represent their health authorities, BCPRA committees or other specialty groups in issues related to GN.</p> <p>Members shall communicate regularly with their respective groups regarding</p>

	activities of the committee.
<b>14. BCPRA support</b>	<p>Recognizing the GN Committee’s data-centred and data-driven approach, the BCPRA will provide the necessary project management and analytics/statistical support to the committee, its operations and projects.</p> <p>The BCPRA will also provide administrative support to the committee, to facilitate the coordination and operation of the committee activities as needed under the direction of the Chair, and ensure minutes and communications are distributed to members in a timely fashion.</p>
