

WESTERN CANADA PD DAYS

Evolving Care: Innovations & Improvements in PD Practice

Venue: Level A, Salon A, Renaissance Vancouver Harbourside Hotel
1133 West Hastings Street, Vancouver, BC

Thursday, April 3rd, 2014

| TIME | MEALS/BREAKS | SESSION |
|---------------------|-----------------------|--|
| 8:00 – 9:00 AM | CONTINENTAL BREAKFAST | REGISTRATION OPENS |
| 9:00 AM | | Welcome and Opening Remarks <i>Chairs: Dr. Paul Taylor and Dr. George Pylypchuk</i> |
| 9:00 – 10:30 AM | | <p>9:00 – 9:45 AM Optimal Preparation for the PD Patients <i>Speaker: Judith Bernardini</i></p> <ul style="list-style-type: none"> • Identify patient barriers to the choice of renal replacement therapy education • List three methods to assist patients to participate in pre-dialysis preparation <p>9:45 – 10:30 AM Prescription Management: The Tough Cases <i>Keynote Speaker: Dr. Joanne Bargman</i></p> <ul style="list-style-type: none"> • Learn about flexibility in the PD prescription • Understand how to tailor the prescription to the specific needs of the patient • Discuss PD prescription for the obese patient, the patient with heart failure, the anuric patient, the rapid transporter |
| 10:30 – 11:00 AM | BREAK | NETWORKING |
| 11:00 AM – 12:30 PM | | <p>11:00 – 11:45 AM Psychological Barriers During Dialysis Transitions <i>Speaker: Dr. Gavril Hercz</i></p> <ul style="list-style-type: none"> • Understand the psychosocial stressors of dialysis transitions • Evaluate methods to increase home dialysis uptake <p>11:45 AM – 12:30 PM End of Life Care for Persons with End Stage Renal Disease</p> |

| TIME | MEALS/BREAKS | SESSION |
|-----------------|--|--|
| | | <p><i>Speaker: Lisa Blacklock</i> Chair: Janice James</p> <ul style="list-style-type: none"> • Develop an awareness and understanding of renal conservative therapy as a modality option • Facilitate and “normalize” end of life conversations with peritoneal dialysis patients early in their therapy |
| 12:30 – 1:30 PM | LUNCH | NETWORKING |
| 1:30 – 3:00 PM | Getting Off to a Good Start on PD | <p>1:30 – 2:15 PM Training the PD Patient <i>Speaker: Judith Bernardini</i></p> <ul style="list-style-type: none"> • Describe day by day plans for teaching a patient PD • Apply adult learning principles to teaching tasks, procedures and concepts <p>2:15 – 3:00 PM Preventing Peritonitis <i>Speaker: Judith Bernardini</i></p> <ul style="list-style-type: none"> • Describe eight protocols to reduce the risk of developing catheter infections or peritonitis for PD patients • Identify pathways in which catheter and peritoneal infections develop |
| 3:00 – 3:30 PM | BREAK | NETWORKING |
| 3:30 – 5:00 PM | | <p>Provincial Team Updates BC, MB, SK, AB <i>Speakers TBD</i></p> |
| 5:00 PM | | <p>Closing Remarks <i>Chairs: Dr. Paul Taylor and Dr. George Pylypchuk</i></p> |
| 5:00 – 6:00 PM | | Walk the Stanley Park Seawall |
| 6:00 PM | NETWORKING DINNER | Renaissance Vancouver Harbourside Hotel |

Friday, April 4th, 2014

| TIME | MEALS/BREAKS | SESSION |
|------------------|-----------------------|---|
| 8:00 – 9:00 AM | CONTINENTAL BREAKFAST | |
| 9:00 AM | | Opening Remarks <i>Chairs: Dr. Paul Taylor and Dr. George Pylypchuk</i> |
| 9:00 – 9:45 AM | | 9:00 – 9:45 AM Ultrafiltration Failure <i>Keynote Speaker: Dr. Joanne Bargman</i> <ul style="list-style-type: none"> • Understand the definition and different causes of ultrafiltration failure in PD • Learn about the different implication of early versus late ultrafiltration failure • Learn about the risk associated with persistent volume overload • Discuss different ways to maintain normal volume status in the face of ultrafiltration failure |
| 9:45 – 11:15 AM | | 9:45 – 10:30 AM “Biocompatible” Peritoneal Dialysis Solutions: Have We Found One? <i>Speaker: Dr. Jeffrey Perl</i> Chair: Dr. Paul Taylor <ul style="list-style-type: none"> • Understand what low GDP neutral pH PD solutions are and how they are different from traditional PD solutions Understand recent evidence regarding low GDP neutral pH PD solution use 10:30 – 11:15 AM Novel Osmotic Agents in PD: Moving Beyond Glucose <i>Speaker: Dr. Asher Mendelson</i> Chair: Dr. Mrinal Dasgupta <ul style="list-style-type: none"> • Learn about the theory required to design a novel osmotic agent, specifically with respect to the three pore model • Learn about hyperbranched polyglycerol, a novel osmotic agent designed at UBC |
| 11:15 – 11:45 AM | BREAK | NETWORKING |
| 11:45-12:30 PM | | 11:45 AM – 12:30 PM Traditional Chinese Medical (TCM) Diagnosis & Therapeutics: Assisting Patients Undergoing Peritoneal Dialysis <i>Speaker: Dr. Steven Aung</i> Chair: Laurie Hermann <ul style="list-style-type: none"> • Understand the Traditional Chinese Medical perspective and approach in the therapeutic |

| TIME | MEALS/BREAKS | SESSION |
|-----------------|--------------|---|
| | | effects of peritoneal dialysis • Appreciate the role of the natural human body healing system in assisting the patient’s recovery during peritoneal dialysis |
| 12:30 – 1:30 PM | LUNCH | NETWORKING |
| 1:30 – 3:00 PM | | <p>1:30 – 2:15 PM Insights from the Dialysis Measurement, Analysis, and Reporting System (DMAR) <i>Speaker: Dr. Robert Quinn</i> Chair: Janice James</p> <ul style="list-style-type: none"> • Present a framework for understanding drivers for peritoneal dialysis utilization • Present data from programs struggling to grow PD <p>2:15 – 3:00 PM Antihyperglycemic Agents and PD Patients: What We Need to Remember <i>Speaker: Jane Lin and Dr. Robin Cho</i> Chair: Katie Cave</p> <ul style="list-style-type: none"> • Discuss antihyperglycemic agents that can be safely used in PD patients • Gain knowledge in formulating diabetes management plans for new PD patients |
| 3:00 PM | | <p>Closing Remarks <i>Chairs: Dr. Paul Taylor and Dr. George Pylypchuk</i></p> |

Note: 25% of all sessions should be dedicated to Q & A.
 Panel discussions, audience participation and case studies are encouraged where possible.
