

I AM A KIDNEY PATIENT.

Important info about my veins

- **For IVs and blood draws, use:**
 - Right side
 - Left side
- **Hand veins best. Avoid ACF.**
- **For BPs, use non-fistula/graft arm.**
- **If long-term access is required, USE internal jugular line.**

For further information, go to:

**BCRenal.ca ► Health Professionals ► Vascular
Access ► Vein Preservation (guideline)**
